THE RACES

Form a big feature of all Western Exhibitions. For this meet the Directors have offered \$24,000 in prizes and purses. The Western Canada Racing Circuit began with the Edmonton May Meet on May 22-23 24, and lasts for seventeen weeks, taking in the meets of the various turf clubs and exhibitions. Ask at the Office for a Racing Program.

In connection with this Department many will be interested in the Pari-Mutuel Machines, which the

A feature also worthy of mention is the Subway under the Race Track. This has just been completed at a cost of \$12,000. It permits passage to and from the enclosure inside the ring without the dangerous crossing of the track, which at many meets has been the source of many accidents.

DOG SHOW

The Dog Show is being held this year by the Exhibition Association under the auspices of the

BOBKER BEN ALI TROUPE OF ARABS

Edmonton Kennel Club, and is this year for the first time being conducted under the Dominion Kennel Club Rules.

Catalogue of the Dog Show on sale at 10 cents.

POULTRY SHOW

The Poultry Show this year includes a carload of birds sent from British Columbia under the direction of the Department of Agriculture of that Province.

A large number of entries have also been brought Ontario and Illinois, as well as from Alberta and other Western Provinces.

LOAN EXHIBIT OF PAINTINGS

One of the special features of the Fine Arts Department this year is the loan collection of pictures by noted Canadian artists. These pictures are for sale, and are sent by the Ontario Society of Artists. A special catalogue has been issued giving names and particulars of these pictures. The exhibits will be found on the top floor of the octagon in the Manufacturers' Building.

This hospital will be found to the east of the Police Station, on the south side of the road leading to the Manufacturers' Building. An ambulance will be on the grounds night and day ready for calls.
